Subject: Official Endorsement of the Production of the 15th Edition of "The Sint Maarten Golden Book"

Dear Mr. Cukier,

It is with great pride and a profound sense of national purpose that I extend my endorsement for the 15th edition of *The Golden Book of Sint Maarten*—a hallmark publication that continues to chronicle the journey, resilience, and radiance of our beloved island nation.

For fifteen editions, *The Golden Book* has served not only as a visual and literary showcase of our cultural wealth, but as a testament to the people of Sint Maarten—our history-makers, trailblazers, and everyday heroes who shape our identity with determination and heartfelt pride. This publication captures our spirit with elegance and authenticity, celebrating both our legacy and the boundless potential that lies ahead.

As Prime Minister, I welcome this commemorative edition as a valuable national archive and a global ambassador for Sint Maarten. It reflects the collective heartbeat of our communities and mirrors our ambitions for sustainable growth, unity, and resilience in a changing world.

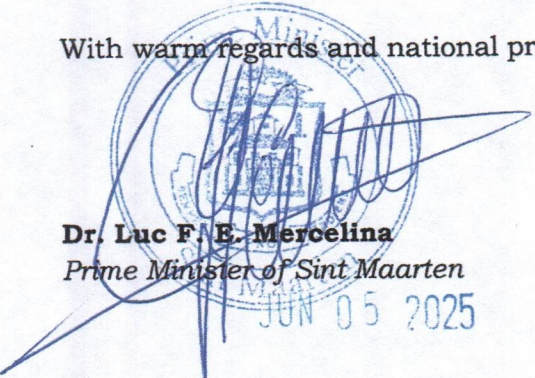

I commend the editorial team and contributors whose commitment to excellence ensures that each page is a tribute to who we are and what we stand for. May *The Golden Book of Sint Maarten* continue to inspire, inform, and ignite a sense of belonging in every reader—whether near or far.
